

Financial Certification Statement

FOR 2010-2011 INTERNATIONAL STUDENTS

U.S. Department of Homeland Security regulations require that the University maintain records showing that you have met its financial requirements (as well as its academic and language proficiency requirements). **You are responsible for demonstrating that you have sufficient funds to meet all educational and personal expenses for the duration of your F-1 status at the University.** You must fill out all the information on this form before the University of Minnesota will issue you an I-20. If you are a resident of Manitoba, Canada, please request the financial certification statement for Manitoba residents from the Office of Admissions.

You must certify that you have at least the amount necessary to cover your tuition, fees, and living expenses for your first academic year (12 months). If you attend summer session and/or bring your spouse or other dependents with you to the United States, you must certify that you have the additional amount necessary to cover those costs.

Complete this form carefully to avoid lengthy delays that may affect your academic plans. We will return forms that are incomplete or that do not show adequate financial resources. Do not send bank statements.
