GOT QUESTIONS?

Visit <http://admissions.tc.umn.edu/answers>. You can get answers to frequently asked questions, or submit your own.

In order to be considered for admission, submit the following:

- A completed application form, signed and dated.**
- \$55 U.S. nonrefundable application fee.** The fee should be payable to the University of Minnesota in the form of a bank draft drawn on a U.S. bank or an international postal money order. Do not send cash. We cannot accept credit card numbers. An online version of this application is available at <http://admissions.tc.umn.edu> which allows credit card payment of the application fee. The application fee cannot be waived.
- Official transcripts and official English translations of your transcripts.** Transcripts of coursework and grades are required for **four years** of secondary school study and from **all** postsecondary schools attended. An official transcript is one that contains the official stamp or seal of the school or is certified as official by the school, a U.S. embassy or consulate official, or other recognized international official. If you complete secondary school in a country where a secondary leaving examination is required for university entry, you will be required to provide us with the results of this examination.
- Test scores.** If your native language is not English, a TOEFL (Test of English as a Foreign Language), a MELAB (Michigan English Language Assessment Battery), or the IELTS (International English Language Testing System) is required. If you have studied for two years in a country where English is the first official language, the English testing requirement may be waived. If you have less than one year of postsecondary studies, the SAT or ACT examination is strongly recommended (and required for student athletes).

To avoid delays in the processing of your application, please note the following:

- Make sure the name on your application matches the name on your transcripts and the name that will appear on your passport.
- Make sure you provide your permanent home address in your home country.
- Be sure to provide your gender and date of birth on the application form.
