

Spring 2021

**Admitted International
Transfer Student Guide**

COME CURIOUS

CONGRATULATIONS!

The University of Minnesota Twin Cities is home to the curious, and those who strive to feed that curiosity. Two United States vice presidents have called the U of M home. Award-winning authors, musicians, and journalists, have too. Astronauts. Civil rights leaders. Athletes. Ground-breaking physicians. Inventors. Nobel Prize winners. All have called our campus their home. **And now, we would like to add you to the list.**

As a U of M student, you will expand your global perspective, develop new passions, and accomplish more than you ever thought possible.

BECAUSE YOU ARE DRIVEN TO DISCOVER.

Maybe you're driven to be part of the next generation of global citizens and leaders. Maybe you have always wanted to experience all four, Minnesota seasons.

Maybe you hope to help unlock the keys to cleaner water and soil, more sustainable resources, healthier people, and more equitable and just societies. Maybe you are just looking for your place in the world, and hope to find it in our vibrant community of scholars.

There are a million reasons to consider the University of Minnesota. We invite you to explore some of those reasons in the pages that follow.

WELCOME, #FUTUREGOPHER!

The University of Minnesota is closely monitoring COVID-19. We continue to work closely with state and federal agencies to ensure the safety of our students, faculty, staff and community members. For the most up to date information please visit z.umn.edu/CampusUpdates.

LAND ACKNOWLEDGEMENT

We acknowledge the University of Minnesota Twin Cities is on the traditional homelands of the Dakota people. It is important to acknowledge the peoples whose land we live, learn, and work on. We acknowledge words are not enough, and we must ensure our institution provides support and access to higher education for American Indian students, staff, faculty and community members.

OUR COMMITMENT TO IMPROVING DIVERSITY, EQUITY, INCLUSION AND SOCIAL JUSTICE

We stand with those calling for sustained and meaningful change, including University of Minnesota President Joan Gabel and our university partners at the Office for Equity and Diversity, and pledge to:

1. **Listen:** Listen to members of Black, Indigenous, and communities of color who continue to experience the damaging effects of historical trauma, oppression, and systemic racism.
2. **Learn:** Learn about anti-Blackness and its pervasive and harmful impact. Learn more about our role in creating change. Dismantling systemic racism cannot happen without an understanding of the history of our University, state, and nation.
3. **Support:** Support impacted communities. Donate. Volunteer. Create intentional spaces to process anger, sadness, and grief. There are many immediate and long-term needs.
4. **Advocate:** Make your voice heard. Get involved in efforts to create change within and beyond the University. Systemic change cannot happen without direct action and advocacy.

Source: Office for Equity and Diversity

The Office of Admissions vows to support our community members who continue to face inequities. We acknowledge words are not enough. We must demonstrate we are taking action. It will take courage to confront our past mistakes and our personal and institutional biases, to have difficult conversations, and to risk missteps. As an institution of teaching and learning, we are both obligated and well-positioned to do just that.

We have every confidence in this generation of students to move the world in a way that earlier generations have not. We commit to supporting those working to achieve the goal of a better, fairer, safer society. We hope you'll join us to be a part of this effort.

WHAT'S NEXT?

CONFIRM YOUR ENROLLMENT

When you confirm your enrollment, you are declaring your intent to attend the University of Minnesota, and we will hold a place for you in the incoming class. Confirm your enrollment online at z.umn.edu/confirm.

The website will prompt you to confirm your enrollment and pay your non-refundable \$95 confirmation fee using a credit card.

Interested in postponing your enrollment?

If you decide to postpone your first semester of enrollment for any reason, please contact the Office of Admissions by email at admissions@umn.edu, or by phone at 1-612-625-2008 or 1-800-752-1000, so that we may consider your application for a later semester.

SUBMIT YOUR UNDERGRADUATE NEW STUDENT I-20 REQUEST

All international students studying on an F-1 student visa are required to submit an Undergraduate New Student I-20 Request at z.umn.edu/I-20Request_NewUndergrad, as soon as possible, but no later than **December 15, 2020**.

The Undergraduate New Student I-20 Request is required not only to obtain an I-20 and F-1 visa, but also to transfer your I-20 and F-1 visa status from your current U.S. school to the University of Minnesota Twin Cities. More information is available at iss.umn.edu/new.

ARRANGE HOUSING

Be sure to make housing arrangements prior to arriving on campus. For complete information about the various housing options available, please visit the University's Housing & Residential Life website at www.housing.umn.edu/international. Everything you need to know about on-campus, off-campus, and temporary housing for those who will arrive in the U.S. prior to the beginning of the semester is available on this website. On-campus housing is limited. If you need to secure off-campus housing, you should arrive approximately three weeks prior to the start of classes so you have sufficient time to search for housing.

Complete all three of these important steps right away to ensure you are ready to be #FutureGopher!

ENROLLMENT REQUIREMENTS

SUBMIT PROOF OF HIGH SCHOOL GRADUATION

Successful completion of secondary school/high school graduation is a University of Minnesota enrollment requirement. In order to fulfill the University of Minnesota policy for proof of high school graduation, you must provide the Office of Admissions with an official copy of your graduation certificate and/or final secondary school transcript and/or leaving exam results along with official English translations by **January 15, 2021**.

- Proof of high school graduation may include exam results such as, but not limited to, IB, A-level, WAEC, HKDSE, SPM, and CISCE/CBSE. Examples of official documents and the submission instructions can be found on the Office of Admissions website at z.umn.edu/officialdocs.
- If you have completed a GED program, we require that you provide an official copy of your GED certificate.
- If you have obtained an Associate of Arts degree from a U.S. college, we will require an official copy of your final transcript with completion of an Associate of Arts degree listed on the document. *Note: We may not accept Associate of Science degrees as satisfying our high school graduation requirements.*

All documents not issued in English must be in the original language and include a certified, true English translation. Official documents are those that are original or are attested copies of original academic documents mailed in a sealed, stamped school envelope directly from the secondary school or examining board. A scanned or electronic copy of an official document is considered unofficial.

If you do not complete this requirement by the stated deadline, you will have a MD hold placed on your account, which prevents you from registering for classes.

SUBMIT OFFICIAL FINAL COLLEGE/UNIVERSITY TRANSCRIPTS

Submit your official, final transcripts (with English translation, if necessary) directly to the Office of Admissions by **April 15, 2021** from all colleges or universities that you have attended, even if no credit was earned. Once transcripts are received, we will post transfer credits on the Transfer Record of Articulated Courses (TRAC) report. This report will show the courses and total credits transferred, the courses that did not transfer, as well as how the transfer courses will fulfill any of the University's Liberal Education (LE) requirements.

When you attend Transfer Student Orientation, you will receive an Academic Progress Audit System (APAS) report that shows how your transfer courses may have fulfilled any college or major requirement in order to complete your degree. Note that your international credits may not transfer as 1 to 1. Your courses will transfer as "T" (transfer for passing) or "F" (fail) and the grades that you received in the course will not show on your APAS report or on your transcript. You may need to supply additional information before you will know if a course you have taken will meet any LE or major requirements. Learn more about international transfer credit evaluations at z.umn.edu/InternationalTransferCredit.

IMPORTANT: For students who do not submit the necessary documents by the deadline, or if altered, modified, or falsified documents are submitted, admission will be rescinded, the I-20 will be cancelled, and the student will NOT be allowed to enroll at the University of Minnesota Twin Cities.

FINANCIAL PLANNING

TUITION AND FEES

Tuition and fees are subject to change. Costs for the 2021-2022 academic year will be finalized in July 2021. Actual expenses vary for individual students. The University of Minnesota is not responsible for any difference between estimated and actual costs. Cost increases should be expected for each subsequent academic year. For more information, visit z.umn.edu/intlcosts.

2020-2021 ESTIMATED COSTS FOR INTERNATIONAL STUDENTS

| | |
|--|-----------------|
| Tuition & Fees* (full academic year or two semesters) | \$34,334 |
| Mandatory Health Insurance (12 months) | \$2,544 |
| Living Expenses, including room and board, books and supplies, and personal/miscellaneous expenses (12 months) | \$18,795 |
| Total | \$55,673 |

Some programs and colleges have additional **mandatory fees and/or tuition surcharges. Students enrolled in the Carlson School of Management (CSOM), College of Science and Engineering (CSE) and some College of Liberal Arts (CLA) majors will be charged an additional \$1,000 per semester tuition surcharge to maintain innovative classrooms and laboratories.*

FINANCING YOUR EDUCATION

As an international student at the University of Minnesota, you are expected to take full responsibility for financing your education. International students are not eligible to apply for U.S. state and federal financial aid programs. International students must prove they have sufficient funds available to pay their educational and personal expenses.

PAYING YOUR TUITION

Your tuition payment generally will be due two to three weeks following the start of the semester. There are several ways to pay the balance due on your student account. More information on payment method options such as Flywire is available at z.umn.edu/intlpay.

STUDENT EMPLOYMENT

International students may apply for on-campus student jobs at the University of Minnesota after they enroll. Funds earned in these positions may help you pay for a small portion of your living expenses; however, anticipated income cannot be included on your Undergraduate New Student I-20 Request form. Learn more at iss.umn.edu/fstudent/oncampus.html.

Did You Know?

Any credits you take over the **13-credit** threshold are **free of charge**, so you can take a variety of courses without worrying about extra costs. Most students take 15-16 credits a semester to graduate on time.

PREPARE TO BE A GOLDEN GOPHER

INTERNATIONAL STUDENT AND SCHOLAR SERVICES (ISSS)

After you confirm your enrollment and submit your Undergraduate New Student I-20 Request form, you will receive the International Student Pre-Arrival Guide from the University's International Student and Scholar Services (ISSS) office. Staff members in ISSS will assist you as you prepare to arrive on campus, and they will work with you after your arrival in Minnesota. If you have questions in the meantime, please visit ISSS's website: iss.umn.edu/new or contact them at issnew@umn.edu.

ORIENTATION FOR NEW STUDENTS

International transfer students must complete **both** international student orientation and transfer student orientation.

International Student Online Preparation Course

Prior to arrival, all new international students are required to complete the International Student Preparation Course. This program is the first step in completing new international student orientation requirements, and it will help you prepare for your arrival at the University. Visit iss.umn.edu/new to begin the course.

Upon arrival, complete the MyISSS Document Check. Once on campus, you are required to attend the ISSS Check-in and Welcome Session. Review the ISSS New Student Information at iss.umn.edu/new.

Transfer Orientation: New Student Checklist

Transfer Orientation is required for all new transfer students. Once you have confirmed your enrollment, you will receive information from your college about completing your New Student Checklist.

The New Student Checklist is an interactive, online checklist allowing students to complete the "Tell us about yourself" survey, sign up for orientation dates, and take any required placement exams. Depending on your college, you may need to take a placement test for math, chemistry, and/or a second language to help us determine the best starting point for your college curriculum.

For more information, visit Orientation & Transition Experiences at z.umn.edu/IncomingTransferOrientation.

Please note: In-person Orientation activities were shifted to an online format due to COVID-19 safety measures for fall 2020. The University of Minnesota will continue to monitor the situation for spring 2021 and communicate a plan when available.

For more information about arrival preparation

Contact the Office of Admissions with questions and concerns.

Email: z.umn.edu/contactadmissions

Call: 1-612-625-2008 or 1-800-752-1000

ENGLISH PROFICIENCY REQUIREMENT: AZ HOLD

If you have not yet provided official documentation meeting our English proficiency requirement, you will have an AZ hold placed on your student account. This will prevent you from registering for classes.

There are a few options to have the AZ hold cleared:

- Take an English proficiency test and submit an official test score report. Both the total score and writing subscore must meet or exceed the minimum required scores. Information on English proficiency tests and minimum required scores is available at z.umn.edu/englishreq.
- Take an English proficiency test administered by the University's Minnesota English Language Program (MELP) upon arrival to campus. Depending on your test results, you may be required to take one or two English language courses in your major area of study during your first year, in addition to academic courses. Contact MELP at esl@umn.edu for more information.
- If you do not wish to take an English proficiency test, enroll in one or two English language courses during your first year, in addition to academic courses. At orientation, your academic advisor will assist you with selecting English language courses.
- If you complete the required number of transferable semester credits and the equivalent of the University of Minnesota freshman English writing course at your current U.S. school, submit an updated official transcript.

To learn how to fulfill the University of Minnesota English proficiency requirement and remove the AZ hold, visit z.umn.edu/englishreq. Or contact the Office of Admissions by email at admissions@umn.edu, or by phone at 1-612-625-2008 or 1-800-752-1000, with any questions or concerns.

AP, IB AND A-LEVEL TRANSFER COURSE AWARDS

The University of Minnesota Twin Cities awards credit for qualifying scores on Advanced Placement (AP), International Baccalaureate (IB), and GCE A-Level exams. Submit your official exam results to the Office of Admission as soon as possible. Detailed information is available at z.umn.edu/InternationalTransferCredit.

GOOD TO KNOW

Major Exploration for International Students

At the University of Minnesota, we offer 150+ undergraduate majors. As a U of M student, you will get to know other students in your intended major, connect with faculty and staff in your areas of interest, and benefit from academic advising and career services tailored to your personal and career goals. To explore each major in more depth, visit capeinternational.umn.edu.

Campus Calendar and Events

Many in-person activities and events were shifted to an online format due to COVID-19 safety measures. The University of Minnesota will continue to monitor the situation and will communicate any changes. For important key dates and events, please visit z.umn.edu/keydates.

Spring 2021 University Calendar

| | |
|--------------------------------|-------------------|
| Arrive on campus by | January 9 |
| Martin Luther King Jr. holiday | January 18 |
| First day of spring semester | January 19 |
| Spring break | March 8-12 |
| Final examinations | May 5-12 |
