

Spring 2022 International Freshman Checklist

Welcome to the University of Minnesota Twin Cities! Congratulations again on your admission to the University of Minnesota Twin Cities. Complete these important steps to ensure you are ready to be a #FutureGopher this spring! If you have already completed some, or all of these steps, thank you!

NEXT STEPS

1. Confirm Your Enrollment

All Spring 2022 freshmen are required to confirm their enrollment by **December 1, 2021**.

- **If you already paid your \$280 confirmation fee for Fall 2021**, it will be credited to your account for the spring. *You do not need to pay the confirmation fee again.*
 - **IMPORTANT:** you *must* confirm your intent to enroll through the form on your Application Tracker at z.umn.edu/tracker.
- **If you still need to pay your \$280 confirmation fee**, you will need to pay the confirmation fee by **December 1, 2021** to reserve your place in the Spring 2022 freshman class. You can pay your confirmation fee by returning your new enrollment confirmation form in the mail, or by going online to z.umn.edu/confirm.

2. Submit an Undergraduate New Student I-20 Request

International students studying on an F-1 visa are required to submit an Undergraduate New Student I-20 Request at z.umn.edu/I-20Request [NewUndergrad](#) as soon as possible, but no later than **December 15, 2021**. The Undergraduate New Student I-20 Request is required not only to obtain an I-20 and F-1 visa, but also to transfer your I-20 and F-1 visa status from your current U.S. school to the University of Minnesota Twin Cities. More information can be found at the [International Student and Scholar Services \(ISSS\) New Students Information](#) page.

Please contact the International Student and Scholar Services (ISSS) at issnew@umn.edu if you have questions and concerns about the I-20 and visas.

3. Arrange Housing

If you have not arranged for housing yet, the University of Minnesota Housing & Residential Life application **opens in mid-October**. If you have already arranged to live on-campus, excellent!

For complete information about various housing options and to fill out the housing application, visit the Housing & Residential Life website at housing.umn.edu/international. *Note: the \$50 housing application fee is nonrefundable.* If you have any questions, please contact Housing & Residential Life at housing@umn.edu.

4. Submit Your Official and Complete Academic Documents

In order to verify the coursework and grades you self-reported at the time of application, the Office of Admissions must receive your official and complete academic documents from all secondary schools attended along with proof of high school graduation (i.e. graduation certificate or leaving exam results) by **December 1, 2021**. Examples of official documents and the submission instructions can be found on the Office of Admissions website at z.umn.edu/officialdocs.

To check what documents are needed, log into your Application Tracker at z.umn.edu/tracker.

5. Submit Your Official Test Scores

In order to verify the test scores you self-reported at the time of application (ACT, SAT, English proficiency), the Office of Admissions must receive your official test score report from the testing agency by **December 1, 2021**. A scanned or electronic copy of an official test score report is not considered official. Official results, including total, overall or composite scores and subscores, must match the information provided in the applicant's Self-Reported Academic Record form.

To check what test scores are needed, log into your Application Tracker at z.umn.edu/tracker.

6. Attend New Student Orientation

International Student Preparation Course

If you have any questions or concerns about international student orientation, arrival preparation, and the I-20 or F-1 visa process, please contact the International Student and Scholar Services (ISSS) at isssnew@umn.edu.
