College Planning

Welcome to the University of Minnesota Twin Cities! We are here as a resource as you explore your college options.

Information Sessions and Visits

Get a feel for our campus and come see us in person or virtually! General sessions talk about the U of M as a whole and highlight our opportunities; college-specific sessions tell you more about our freshman-admitting colleges and our majors.

Visits are available year-round. Schedule a visit and take a virtual tour online at z.umn.edu/CampusVisit

Discover your Future

What careers and areas of study interest you? Explore our 150+ majors and our minors at majors.umn.edu!

Choose high school coursework that prepares you for college success.

The U of M expects students to complete the following high school course requirements:

English - Four years

Mathematics - Four years

Science - Three years

We require one year each of biological and physical science, including one year of laboratory experience. Our College of Biological Sciences and College of Science and Engineering require one year each of biological science, chemistry, and physics.

Social studies - Three years

Second language - Two years

We require two years of a single second language be completed while in high school. American Indian languages, American Sign Language, foreign languages (French, Japanese...), and classical languages (Latin...) are all examples of second languages.

Visual or performing arts - One year

ACT and SAT Tests

Freshman applicants for fall 2022 admission are not required to submit an ACT or SAT test score. This policy change was made to ensure every student has the opportunity to submit a complete application this year.

If you do choose to submit an official test score (optional), it may be sent directly from the testing agency to the U of M using the following codes:

ACT: 2156 | SAT: 6874

Financial Aid

The Free Application for Federal Student Aid (FAFSA) opens in October. Complete the FAFSA by March 1, the U of M's financial aid priority deadline.

All applicants are automatically considered for scholarships.

Housing Application

The housing application opens in November. All admitted freshmen who submit a housing application by May 1 are guaranteed housing. Living Learning Community assignments are first-come first-served. See housing.umn.edu for more!

Apply for Admission!

The application opens in August and is available at z.umn.edu/Apply

November 1: (Early Action Deadline; decision by January 31)

Note: The application deadline for the College of Nursing is November 1.
