This application must be completed in full and signed by the applicant. If the application is not complete it will be returned. The application must be submitted to the University of Minnesota-Twin Cities by the deadline noted below.

Deadline: We encourage you to apply at least one month prior to the start of the term you are seeking Manitoba reciprocity tuition benefits. In the event that benefits are granted, it is your advantage to apply early so you won't be assessed tuition at the non-resident rate for that term.

The final deadline is the last day of classes at the University of Minnesota-Twin Cities for the term benefits are needed. If you wish to participate in the program for the entire academic year, your application must be correctly completed and postmarked by the last day of scheduled classes in the fall term. Applications will not be processed retroactively.
