College Planning

Welcome to the University of Minnesota Twin Cities! We are here as a resource as you explore your college options.

Information Sessions and Visits

Get a feel for our campus and come see us in person or virtually! General sessions talk about the U of M as a whole and highlight our opportunities; college-specific sessions tell you more about our freshman-admitting colleges and our majors.

Visits are available year-round. Schedule a visit and take a virtual tour online at z.umn.edu/CampusVisit

Discover your Future

What careers and areas of study interest you? Explore our 150+ majors and our minors at majors.umn.edu!

Choose high school coursework that prepares you for college success.

The U of M expects students to complete the equivalent of the following high school course requirements:

English - Four years

Mathematics - Four years

Science - Three years

We expect the equivalent of one year each of biological and physical science, including one year of laboratory experience. Our College of Biological Sciences and College of Science and Engineering expect one year each of biological science and chemistry, while the College of Science and Engineering also expects one year of physics.

Social studies - Three years

Second language - Two years

We expect the equivalent of two years of a single second language be completed by the time you graduate high school. American Indian languages, American Sign Language, foreign languages (French, Japanese...), and classical languages (Latin...) are all examples of second languages.

Visual or performing arts - One year

ACT and SAT Tests

Freshman applicants for Fall 2024-25 admission are not required to submit an ACT or SAT test score.

If you do choose to submit an official test score (optional), it may be sent directly from the testing agency to the U of M using the following codes:

ACT: 2156 | SAT: 6874

Financial Aid

The Free Application for Federal Student Aid (FAFSA) is anticipated to open in December. Estimated financial aid packages should be sent starting in March for students who have a FAFSA on file and a complete financial aid record. For the most up-to-date information about financial aid, visit z.umn.edu/FinAidInfo.

All applicants are automatically considered for scholarships.

Housing Application

The housing application opens in November. All admitted freshmen who submit a housing application by May 15 are guaranteed housing. Living Learning Community assignments are first-come first-served. See housing.umn.edu for more!

Apply for Admission!

The application opens in August and is available at z.umn.edu/Apply
