

UNIVERSITY
OF MINNESOTA

Dear Colleague,

Good afternoon!

We are writing to share an exciting announcement made by University of Minnesota President Eric Kaler earlier this month. You can read the full scholarship announcement below, or check out coverage in the [Brainerd Daily Dispatch](#). This is a topic near and dear to our hearts in the Office of Admissions, as it is a core commitment to Minnesota students. Our campus environment is strengthened by the wide range of experiences and perspectives brought by our students from across all of Minnesota's communities.

This spring, we are awarding this scholarship to approximately 25 students from Greater Minnesota who are admitted to the College of Food, Agricultural and Natural Resource Sciences for fall 2017. CFANS admits are selected based on a holistic review of the application for admission.

If you'd like to know more about the University of Minnesota's College of Food, Agricultural and Natural Resource Sciences, feel free to contact CFANS Admissions Counselor, Casey Kuenn, at [612-625-3284](tel:612-625-3284) or ckuenn@umn.edu.

Kaler announces new effort to attract, retain more Greater MN students

March 24, 2017

The University of Minnesota announced today the Land-Grant Legacy Scholarship, a new initiative to attract and retain more students from Greater Minnesota...(read the full article [here](#)).

As a reminder, we are still accepting applications from qualified students who wish to pursue a CFANS major. Please feel free to contact [Casey Kuenn](#), [CFANS](#) admissions counselor if you have a student who would like to discuss this option for fall 2017.

Sincerely,

Rachelle Hernandez
Associate Vice Provost for Enrollment Management &
Director of Admissions
University of Minnesota Twin Cities
